25/11/2013 at Bounce

Wellington Regional Network Meeting was held on 25th November at Bounce's homely programme – what a great environment.

Reports were given on courses recently attended – “A Volcano in My Tummy” by HALT; “Water and Rock” on Inner Strength by Robyn Schofield

A general discussion around behaviour management within the programmes was helpful.

The group supports the idea raised by Pam Hughes of Chch of a Wellington Hui early next year. Kelly Sports have offered their convention centre.
